A screenshot of the AGU International Office website page for the SAT Test Center. The page features the AGU logo and the text "INTERNATIONAL OFFICE" in the top left. A navigation menu includes "AGU IO", "Partnerships", "Working at AGU", "Studying in Turkey", "Discover AGU", and "APPLY TO AGU NOW". The main heading is "SAT Test Center" over a background image of a modern building. Below the heading is a breadcrumb trail: "Homepage / APPLY TO AGU NOW / SAT Test Center". The SAT logo is prominently displayed, followed by the text: "The Abdullah Gül University (AGU) is one of the few official SAT® Test Centers in TURKEY." Below this, a quote states: "The SAT (Scholastic Assessment Test) is a globally recognized college admission test that lets you show colleges what you know and how well you can apply that knowledge. It tests your knowledge of reading, writing and math — subjects that are taught every day in high school classrooms."
